RE: Identification Number C00254581
Gutierrez for Congress
Amended April Quarterly Report
(February 28, 2002 - March 31, 2002) dated May 8, 2002

Dear Ms. Palmer:

This letter is a response to your letter of September 4, 2002 regarding the above referenced report. Specifically, your request concerned complete identification from individuals who have contributed in excess of \$200.00 in an election cycle. Pursuant to 11 CFR section 100.12, the committee is required to provide the full name, mailing address, occupation and name of employer.

Gutierrez for Congress has, according to the Commission's Regulations, exerted its "best efforts" to obtain the missing or incomplete identification information. First, the committee's original solicitation includes a clear and conspicuous request for the contributor information. The original solicitation also provides, as is required by the Commission's Regulations, and informs the contributor of the requirements of federal law for the reporting of the information (please see the attached typical original solicitation that is used by the committee).

In addition, if the contributor does not provide the requested missing information, the Committee makes a follow-up stand alone effort to obtain this information, regardless of whether the contribution was solicited or not. This follow-up stand alone effort is made and occurs no later than 30 days after the contribution is received by the committee. All of our follow-up stand alone efforts are made in writing via mail.
